

Pneumatische balgkrik 3 ton met 3 luchtkussens 125/365 mm

72251

Details

Artikelnummer	72251
EAN	8712418408676
Lengte (mm)	630
Breedte (mm)	350
Hoogte (mm)	1230
Capaciteit (kg)	3000
Min. Hoogte (mm)	125
Max. Hoogte (mm)	365
Rubberen kussen diameter Ø (mm)	240
Hydraulisch	Nee
Aansluitmaat (")	3/8
Maximale druk (bar)	8
Werktemperatuur (°C)	-20°C / +65°C
Wielen	Nee
Karaktereigenschappen	* Minimum and maximum plate height available after few times of using. The jack reaches the indicated values after the first few uses. Initially, the values are 140/365 mm. That's a result of the need for the piston to squeeze out the lubricant, as well as the rubber cushion's kneading.
